

NEWS RELEASE

Allnorth Consultants Limited (“Allnorth”) is pleased to announce the successful acquisition of Axxent Engineering Ltd. Axxent was founded in 2006, and has been providing a wide range of services to the mining resource and forestry sector. Axxent brings over 45 highly motivated professionals to the Allnorth team, who are currently working on projects in British Columbia, Northwest Territories, Nova Scotia and Mexico.

Together we will provide our clients with a fully integrated engineering and technical services team in the following areas:

- Mechanical/Structural/Civil/Process/E&I Engineering
- Environmental Permitting and Planning
- Capital Cost Estimates
- Project and Construction Management
- Pre-feasibility and Feasibility studies (NI43-101 compliant)
- Constructability and Optimization reporting
- Legal and Construction Surveying
- Material Testing & QA/QC services
- Planning & Scheduling
- 3 D Scanning & Modeling

Allnorth will continue to provide services from the office located in Surrey, British Columbia. Mr. Mark Dobbs, PEng, will assume the position of the Surrey Division Manager, and together, with the existing team at Allnorth, the reputation for quality and cost effective engineering solutions will continue. The Surrey office can be contacted at:

Allnorth Consultants Limited
